Thanks. I just poke with the Amherst lab and they have had no communication with Lt Forset or anyone on the Holland Police Department. Sharon Salem, the Evidence Officer said she hasn't seen the Holland Police in years. If they have drugs for analysis, they can certainly submit them in Amherst.

Is it possible that Lt Forset tried to submit in to the Springfield laboratory and they directed him to Sudbury?

Julie

I am forwarding the email so that you are aware of a communication issue out of Amherst.  
At this point, upon transition, it is not our intention or in our plans to divert work from Amherst to Sudbury

Please let me know if you need anything further from us.

Thanks  
Guy

Jeremy

There was a message on the ECU's voice mail this morning from Lt. Forset (SP?) of Holland PD. Lt. Forset stated that the Amherst lab told him they are no longer accepting drug cases and that he has to call the FSG to find out where he should be submitting drug cases in the future. Apparently they provided him with the 508-358-3155 number.

I will give him a call in a few minutes.
